Publications d'Alexis Michaud, LACITO-CNRS

Novembre 2009

Mes publications sont déposées (dans leur version pré-publiée) sur l'archive ouverte HAL (Hyper Article en Ligne), à mesure de leur publication. Vous pouvez accéder à toutes les publications en cliquant ici. Une liste thématique commentée est disponible sur mes pages personnelles. La liste ci-dessous est organisée par type de publication.

My publications are deposited in preprint form in the open archive HAL (Hyper Article en Ligne) after publication. You can access the whole set here.

A list organized by topics, with comments and abstracts, is available on my web pages. The list below is arranged by type of publication.

Articles dans des revues à comité de lecture

Articles in peer-reviewed journals

Guillaume Jacques & Alexis Michaud (submitted), "Elements of comparison of Na, Laze (Shuitian) and Naxi: A preliminary study in historical phonology".

Alexis Michaud (accepté), "Les systèmes de tons en Asie orientale : typologie, schémas évolutifs et modélisation ", Faits de Langues.

Alexis Michaud (2009/in press), "The prosodic system of Muli Shuitian (Laze) (Muli Shuitianhua Shengdiao Xitong Yanjiu)", Minzu Yuwen/民族语文, Dec. 2009 (page numbers not communicated yet).

Alexis Michaud & Jacqueline Vaissière (2009/in press), "Perceptual transcription and acoustic data: the example of /i/ in Yongning Na (Tibeto-Burman)", Chinese Journal of Phonetics /中国语音学报) (page numbers not communicated yet).

Alexis Michaud & He Xueguang (2009/in press), "Research about the phonemic system of the Naxi dialect of A Ser/丽江市古城区文化乡纳西语音位系统研究", Chama Gudao Yanjiu Jikan/茶马古道研究集刊 (journal published in Yunnan, China).

Ekaterina Chirkova & Alexis Michaud (2009), "Approaching the prosodic system of Shixing", *Language and Linguistics*, 10(3), pp. 539-568.

Martine Mazaudon & Alexis Michaud (2008), "Tonal contrasts and initial consonants: a case study of Tamang, a 'missing link' in tonogenesis", *Phonetica*, 65(4), pp. 231-256.

Alexis Michaud (2008), "Phonemic and tonal analysis of Yongning Na", Cahiers de linguistique - Asie Orientale, 37(2), pp. 159-196.

Alexis Michaud & He Xueguang (2007), "Reassociated tones and coalescent syllables in Naxi (Tibeto-Burman)", *Journal of the International Phonetic Association*, 37(3), pp. 237-255.

Alexis Michaud & Jacqueline Vaissière (2007), « Le devenir phonétique des formes rédupliquées : réduplication, tons lexicaux et intonation en naxi », Faits de langues, 29, pp. 23-35.

A. Morgenstern et A. Michaud (2007), « La réduplication : universaux iconiques et valeurs en système », Faits de langues, 29, pp. 117-124.

Alexis Michaud & Vu-Ngoc Tuân (2007), « Các thanh điệu thanh hầu hoá và phi thanh hầu hoá dưới tác dụng của sự nhấn âm: các giá trị hệ số mở tiến dần đến cực đại » [en vietnamien; traduction du titre: « Tons glottalisés et non glottalisés sous l'effet de l'insistance: commentaire sur des valeurs extrêmes de quotient ouvert »], revue Ngôn ngữ [Langage] 38(2), pp. 46-52.

Alexis Michaud (2006), "Tonal reassociation and rising tonal contours in Naxi", *Linguistics* of the Tibeto-Burman Area 29:1, pp. 61-94.

Boyd Michailovsky & Alexis Michaud (2006), "Syllabic inventory of a Western Naxi dialect, and correspondence with Joseph F. Rock's transcriptions", *Cahiers de Linguistique - Asie Orientale* 35:1, pp. 3-21.

Alexis Michaud (2006), "Three extreme cases of neutralisation: nasality, retroflexion and liprounding in Naxi", *Cahiers de Linguistique - Asie Orientale* 35:1.

Alexis Michaud, Vu-Ngoc Tuân, <u>Angélique Amelot</u> & Bernard Roubeau (2006), "Nasal release, nasal finals and tonal contrasts in Hanoi Vietnamese: an aerodynamic experiment", <u>Mon-Khmer Studies</u> 36:121-137.

Alexis Michaud (2004), "Final consonants and glottalization: new perspectives from Hanoi Vietnamese", *Phonetica*, 61(2-3), pp. 119-146.

Chapitres de livres

Book chapters

Alexis Michaud (submitted), "Monosyllabicization: patterns of evolution in Asian languages", in *Monosyllables: from phonology to typology*, ed. by T. Stolz.

Nick Clements, Alexis Michaud & Cédric Patin (forthcoming), "**Do we need tone** features?", in *Tones and Features*, ed. by E. Hume, J. Goldsmith & W. L. Wetzels.

Jacqueline Vaissière & Alexis Michaud (2006), "Prosodic constituents in French: a data-driven approach", in *Prosody and syntax*, ed. by I. Fónagy, Y. Kawaguchi & T. Moriguchi, Amsterdam, John Benjamins, coll. "Usage-based linguistic informatics", pp. 47-64.

Alexis Michaud (2003), « Focus et tons lexicaux: de la variété des paramètres prosodiques », in *Fonction et moyens d'expression de la focalisation à travers les langues*, dirigé par A. Lacheret-Dujour et J. François, Louvain, Peeters, Mémoires de la <u>Société de Linguistique</u> de <u>Paris</u>, nouvelle série, tome XIII, pp. 13-47.

Actes de colloques

Conference proceedings

Alexis Michaud & Barbara Kühnert (in press), "A pilot study on the F0 curve of syllable-initial sonorants, comparing nasals, *lenis* stops and *fortis* stops ", *Actes du 13e Colloque de Villetaneuse sur l'anglais oral*, volume dirigé par Nicolas Ballier.

Alexis Michaud & Latami Dashi (in press), "A description of endangered phonemic contrasts in Yongning Na (Mosuo)", Proc. of the 16th Int. Conf. of Anthropological and Ethnological Sciences – Endangered languages session, Kunming, July 27th-31st, 2009.

Alexis Michaud (2008), "Tones and intonation: some current challenges", *keynote talk*, 8th International Seminar on Speech Production (ISSP'08), Strasbourg, pp. 13-18.

Alexis Michaud & Jacqueline Vaissière (2007), "The phonetic evolution of reduplicated expressions: reduplication, lexical tones and prosody in Na (Naxi)", International Congress of Phonetic Sciences, Saarbrücken, pp. 801-804.

Alexis Michaud (2006), "Replicating in Naxi (Tibeto-Burman) an experiment designed for Yorùbá: an approach to 'prominence-sensitive prosody' vs. 'calculated prosody' ", Proceedings of *Speech Prosody 2006*, Dresden, May 2nd-5th, 2006, pp. 819-822.

Alexis Michaud & Martine Mazaudon (2006), "Pitch and voice quality characteristics of the lexical word-tones of Tamang, as compared with level tones (Naxi data) and pitch-plus-voice-quality tones (Vietnamese data) ", Proceedings of *Speech Prosody 2006*, Dresden, May 2nd-5th, 2006, pp. 823-826.

Alexis Michaud & <u>Barbara Kühnert</u> (2006), "La courbe de F0 des sonantes initiales de syllabe joue-t-elle un rôle prosodique? Etude-pilote de données d'anglais britannique ", Actes des <u>XXVIe Journées d'Etude de la Parole</u>, Dinard, 12-16 juin 2006.

Angélique Amelot & Alexis Michaud (2006), "Effets aérodynamiques du mouvement du velum : le cas des voyelles nasales du français ", Actes des <u>XXVIe Journées d'Etude de la Parole</u>, Dinard, 12-16 juin 2006.

Vu-Ngoc Tuân, Christophe d'Alessandro & Alexis Michaud (2005), "Using open quotient for the characterization of Vietnamese glottalized tones", Proceedings of *Eurospeech-Interspeech 2005: 9th European Conference on Speech Communication and Technology*, Lisbon, pp. 2885-2889.

Alexis Michaud & Vu-Ngoc Tuân (2004), "Glottalized and Nonglottalized Tones under Emphasis: Open Quotient Curves Remain Stable, F₀ Curve is Modified ", Proceedings of *Speech Prosody 2004*, Nara, Japan, pp. 745-748.

Alexis Michaud (2004), "A Measurement from Electroglottography: DECPA, and its Application in Prosody", Proceedings of *Speech Prosody 2004*, Nara, Japan, pp. 633-636.

Alexis Michaud (2002), "Conservation des langues et partage des ressources : le rôle des chercheurs dans la mise en place de banques de données ", Actes des XXIV^e Journées d'Etude de la Parole, Nancy, pp. 153-156.

Thèse de doctorat	PhD dissertation
-------------------	------------------

Alexis Michaud (2005), « Prosodie de langues à tons (naxi et vietnamien), prosodie de l'anglais : éclairages croisés ». Thèse de doctorat en Phonétique, Université Paris 3. (In French. Translation of the title: "A comparison of the prosody of tone languages (Naxi and Vietnamese) with the prosody of English". Full text available online.)
